To Whom It May Concern:

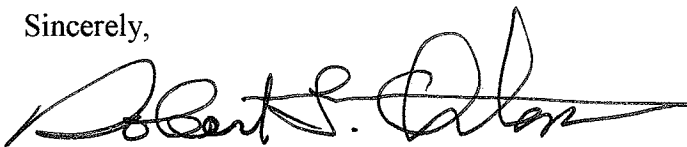

I was released as a member of the Second Quorum of the Seventy of the Church of Jesus Christ of Latter Day Saints at the General Conference of the Church in October, 2007. My duties as a General Authority included serving in the Europe East Area presidency in Moscow, Russia, for four years and subsequently as Assistant Executive Director of the Audiovisual Department and Chairman of the Broadcast Committee at Church Headquarters in Salt Lake City. I previously served as president of the Romania Bucharest Mission.

Sister Orton and I currently serve as president and matron of the St. George Utah Temple and have resided in St. George since November 1, 2007. We have known Jason Deere for several years and have had the pleasure of attending several concerts performed by his Nashville Tribute Band. We are also in possession of albums done by the Band and listen to them often, both at home and while traveling by automobile.

The Nashville Tribute Band provides a glimpse of Church history and culture which is both entertaining and spiritually uplifting for people of all ages. The level of enthusiasm among the audiences at the performances Sister Orton and I have attended has been interesting to observe and provides evidence of the high quality of the product which the Band produces.

Should you desire additional information from me, please feel free to contact me at your convenience.

Sincerely,
